What is Zoho for Startups?

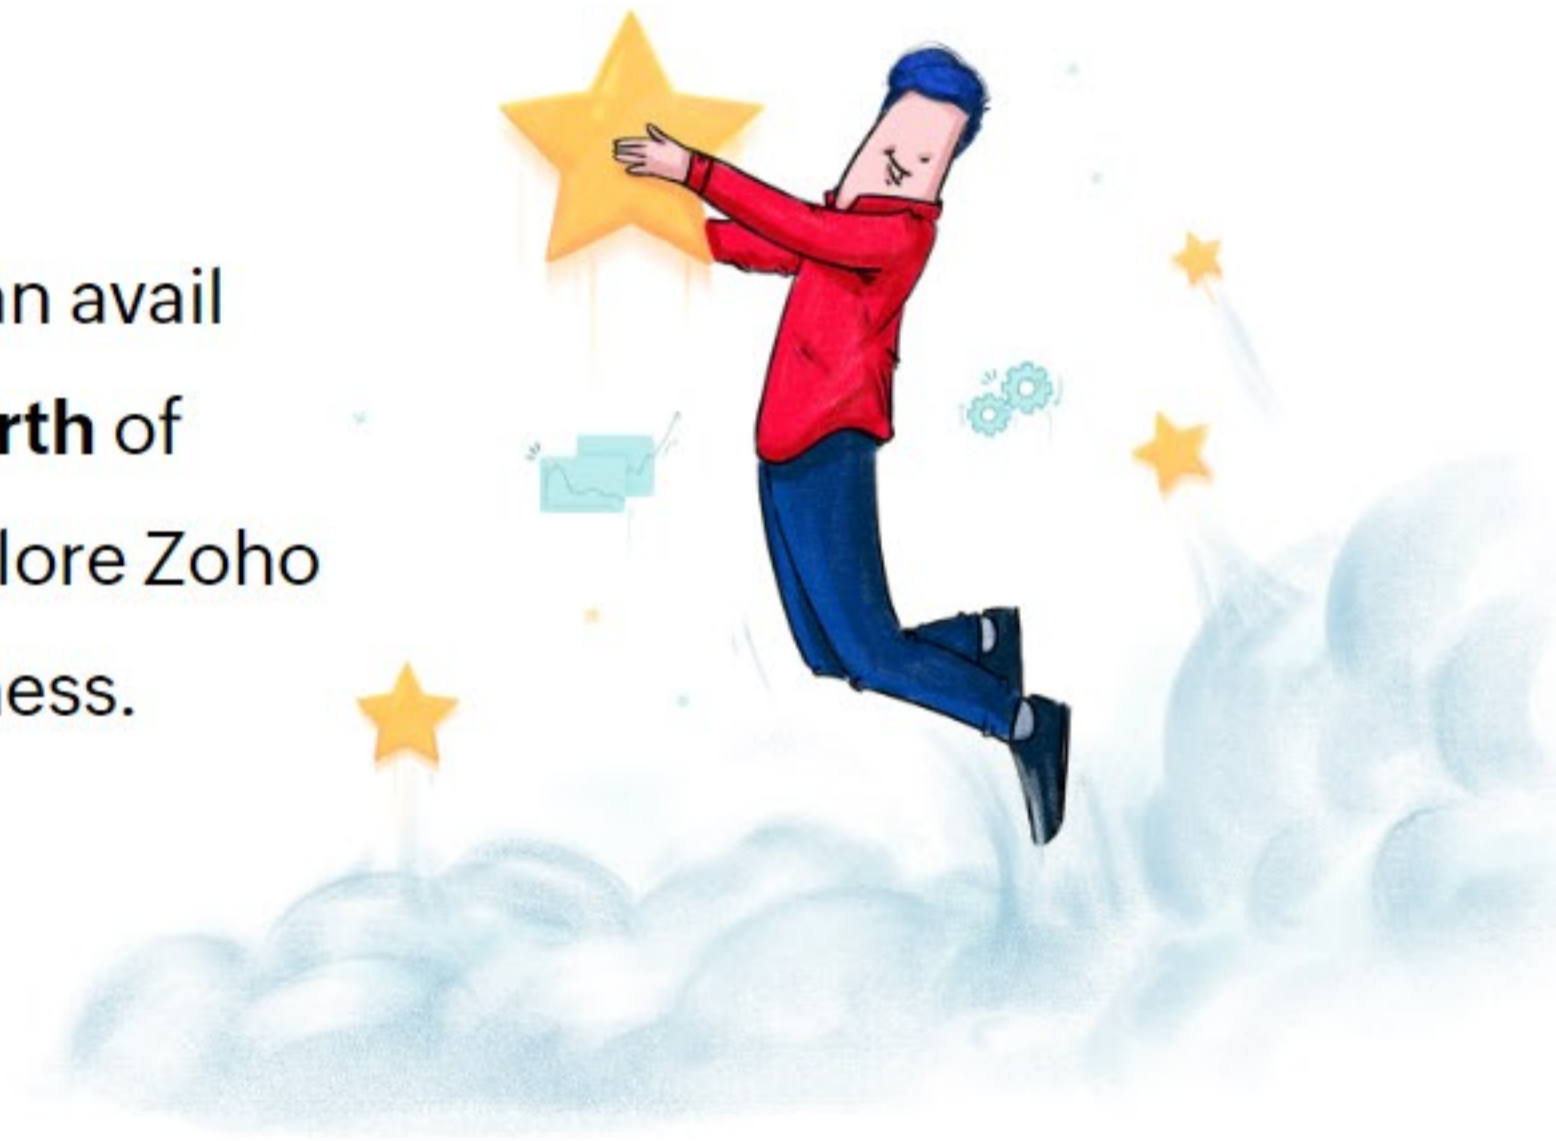

Through the Zoho for Startups program, we are passionate about helping startups onboard the right software tools at the right time.

Whether you are just setting up your startup or are already scaling up across geographies, from writing down your ideas to crafting your pitches, you will always find a bunch of apps that can help you structure and automate your everyday work.

What is the offering?

Eligible startups can avail upto **1.86 lakhs INR worth** of Zoho Wallet credits.

All startups can avail **1 lakh INR worth** of credits to explore Zoho for their business.

Startups interested in hosting their email with Zoho can avail an additional **86K INR worth** of credits to explore Zoho Mail and related services.*

Terms and Conditions apply

* Startups hosting their email in Zoho too will initially get only **1 lakh INR worth** of credits deposited in their account. If the email hosting is completed within 15 days from the date of enabling the initial credits the additional **86K INR worth** credits will be added.

** The Zoho Workplace bundle alone is subject to an upper credit limit of **1 lakh INR** during the offer period.

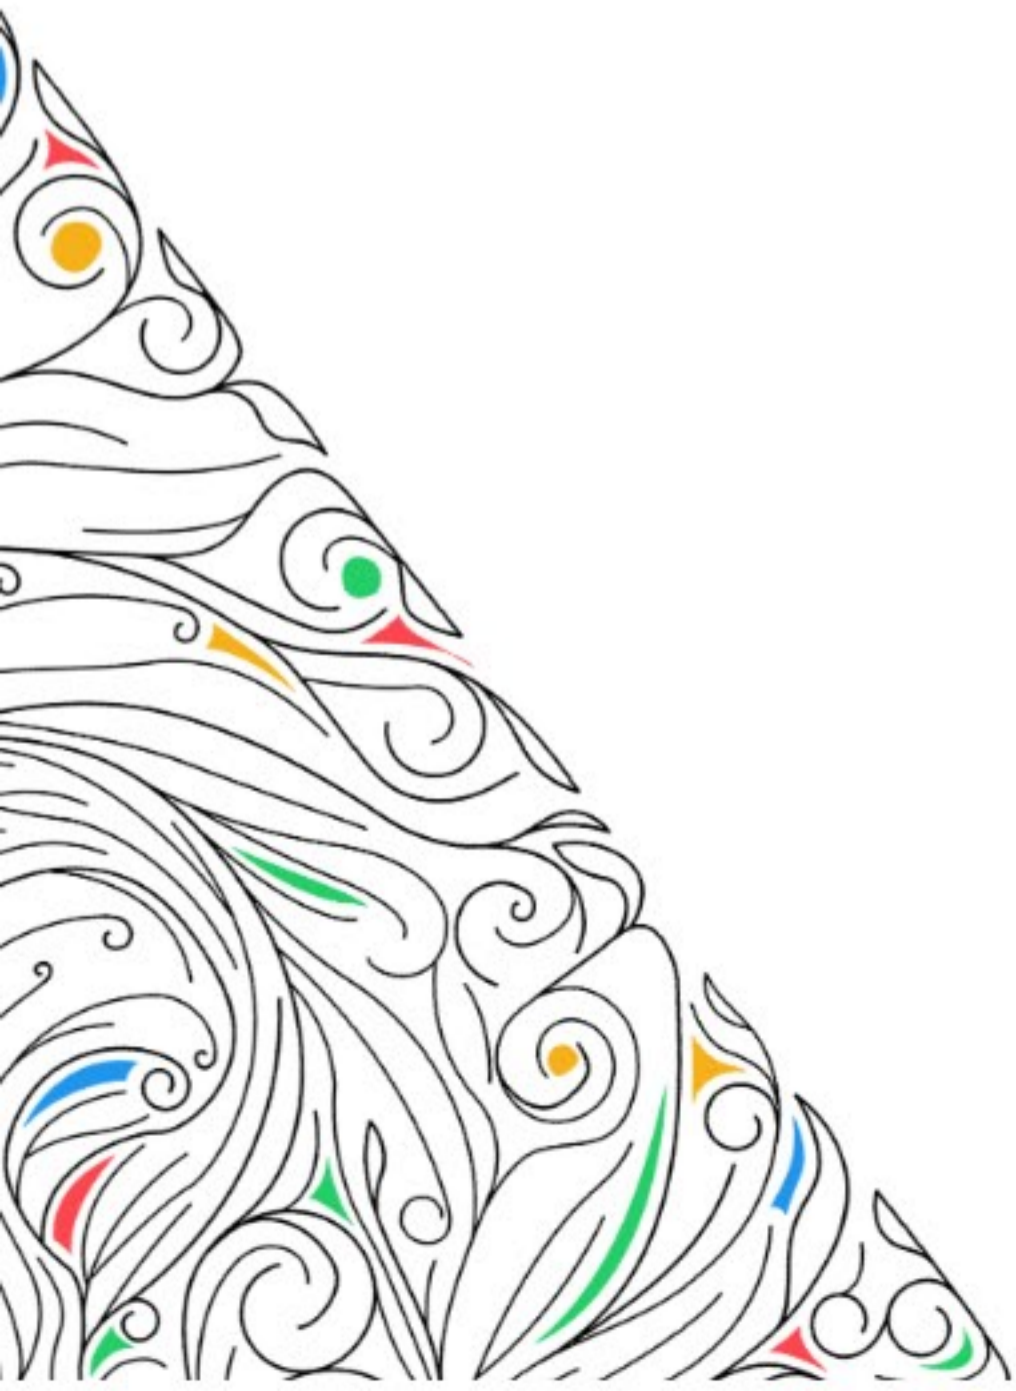

These credits can be used to explore individual Zoho applications as well as bundles such as Zoho One, Remotely, Workplace, etc.**

They can also be used on subsequent renewals, upgrades and for purchase of add-ons during the offer period.
